

Meet Your CGNA Board Members Cherry Glen Neighborhood Association

Melinda Hawkes, President

I have owned my house on Irene Avenue for 32 years and have three daughters ranging in age from 20 - 29 and one dog. I taught elementary school for 35 years, retiring this past June. What I love most about my neighborhood is the tree-lined streets, that every house is unique, the downtown area and parks are within walking distance, and the people are the friendliest around!

Denal Green, Vice President

I have been in the Cherry Glen neighborhood for 6 years. After raising my family across town, I always knew I wanted to live in this neighborhood with its mature trees and unique home styles. My mom retired here 16 years ago and now we live on the same street. I am happy to be part of such a diverse and beautiful neighborhood.

Lydia Birks, Secretary / Newsletter Editor

Ken and I have lived in our 100-year-old home on Clinton Ave. for 36 years. We love our huge porch, tree-lined street, big backyard, and the down home, real-life feel of our charming neighborhood! We've loved over 20 foster kids in this home, and the door still swings open and shut constantly! We pastored Cherry Glen Community Church from 1984-1997, then were on staff at The Rock many years, We love Cherry Glen!

Vincente Porras, Treasurer

We have been living and raising our 6 kids for the past 9 years here on Irene Ave. Over that time we have started our own business — Zeebtec — providing visual, audio, and lighting services across the nation. It's a pleasure to call Cherry Glen our home.

Kaye Swain, Honorary Board Member

I've lived in Roseville over 25 years and especially appreciate the beauty of Cherry Glen with its gorgeous tall and shady trees, as well as the interesting and active culture in old Roseville, and the downtown square and its many fun activities. I enjoy helping my real estate clients explore the many lovely older home options this beautiful area is known for.

Kaye serves as our CGNA website and Facebook group administrator, as well as an active RCONA rep for several years.

Neighborhood Pride!

Calling All Cherry Glen Neighbors—Owners and Renters Alike! We'd LOVE to have you join our Neighborhood Association, attend our bi-monthly Zoom meetings and learn what's happening in our little community! We'd love your input and feedback and — Yes, we Need You! We are also looking for additional "Member at Large" Board Members and your time commitment would be very minimal. This is **YOUR** neighborhood and Together... We Are Better!!

Clean Up Day Question?

Are you interested in a Cherry Glen Clean Up Day? We would rent several dumpsters for a DAY throughout CG to clear out our junk. This would be quite an undertaking and expense (no cost to neighbors due to grants and CGNA funds) BUT we'd need neighborhood support in helping to make administrative phone calls to set things up, etc. Are YOU willing to give an hour or two between now and then to help arrange this? We'd love to hear from you! Email president@cgna.rcona.org and let Melinda know!

Did You Know...?!

The Rock Community Center provides two weekly outreaches to our Cherry Glen and Theiles Manor Neighbors at NO COST to support those in need. Please stop by if you have a need, or refer a CG or TM neighbor!

- 1) Clothes, Shoes, and Accessories for babies, children, men and women on Saturdays from 9am to 11am at The Community Store, 640B Vernon Street (behind the wrought iron gates next to railroad tracks across from The Rock/Lohse Apts.) Some personal use items available also.
- 2) Food (Fresh and Frozen) from the Food Pantry on Thursdays from 9:30am to 11am at 202 Bonita Street in the Courtyard or Fellowship Hall, depending on weather.

Cirby School Honors Sandy Bauchmann

Our beloved former CGNA Secretary, Sandy Bauchmann, passed away in August 2020. She was part of The Cherry Glen Neighborhood Association for many years. Sandy and her husband, John, lived in Cherry Glen for almost 29 years and enjoyed raising their girls here. About our neighborhood, Sandy said, "We have always loved the beauty of the older homes, the trees, and the proximity to the bike trail, the parks, downtown and the library." Sandy was a 1st grade teacher at Cirby School for many years and, after her passing, the Buddy Bench (shown above) was installed in her honor and memory in front of the Cirby School office. Sandy is greatly missed and will always be remembered with great love, fondness and appreciation.
